Frankfort KY 40601

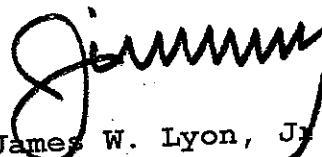

Dear Tanya:

I am writing you on behalf of the City of Wurtland.

As you know, the City of Wurtland currently is a Municipal Corporation of the Sixth Class. The City Commission has voted to become a Municipal Corporation of the Fifth Class. We have verified that the population of Wurtland justifies the change from sixth class to fifth class, and the City Commission believes it is in the best interests of City Government and the citizens of Wurtland to become a City of the Fifth Class.

We would appreciate you taking all necessary legislative action to bring about this change on behalf of the City of Wurtland. Thank you for all you do as our State Representative. Best wishes.

Yours truly,

James W. Lyon, Jr.
